*****NEW PRODUCT - CHAIN ADJUSTER BRACKETS*****

HONDA GROM. OGGY CHAIN ADJUSTER BRACKETS

The new addition to the Oggy product range, the CAB "chain adjuster brackets" are now available for the Honda Grom MSX125.

An Australian made solution for motorcycles manufactured without bosses and threads for stand pick ups. The easily fitted CAB brackets will allow use of, and are compatible with race stands of any type.

CAB replaces the standard chain adjuster axle plates with a Aussie made billet machined anodised bracket which includes the pick up knob, in beautiful black silver or red Anodised finish for durability.

These are now available for a range of models to see the full range go to www.kenma.com.au
